PROFESSIONAL PROFILE

Cook with experience across Korean, Italian and modern brunch/cafe-style kitchens in Korea and Australia. Previous Kitchen In Charge experience, with recent hands-on work across prep, hot section, grill, fryer, egg, salad and pass support. Able to work independently, manage service priorities and maintain consistent food quality, portion and presentation.

PROFESSIONAL EXPERIENCE

VITO'S CUCINA & BAR — Cook

Ascot, Brisbane | Jun 2026 – Present

- Work across grill, fryer, egg, salad, prep and pass support during breakfast and lunch service.
- Manage docket priority, cooking times and multiple menu components during busy service.
- Complete most daily prep independently once Head Chef / Sous Chef standards are confirmed.
- Taste and adjust seasoning, texture and consistency before prep is completed for service.
- Created and distributed a visual staff training manual for recipes, ingredients and plating standards.

MARU GRILL HOUSE / WOODAM — Korean Cook / Hot Section

Cannon Hill, Brisbane | May 2024 – Jun 2026

- Prepared and cooked hot dishes in a high-volume Korean restaurant.
- Managed multiple orders, service timing and section readiness.
- Checked stock levels and completed ingredient and kitchen-supply ordering when required.

JEON'S KITCHEN — Cook

Brisbane, QLD | Jan 2024 - Apr 2024

- Managed daily prep, stock rotation and service orders.
- Worked with increasing independence and handled kitchen service with minimal supervision.
- Maintained mise en place, food quality and service readiness throughout shifts.

ITALIAN RESTAURANT — Cook, Cold Section

Korea | 2016 · Approx. 4 months

- Worked mainly in cold section preparation, salads, appetisers and mise en place.
- Began cross-training in the pizza section before finishing the role.

DAEPO JJIMDAK — Kitchen In Charge

Korea | Jan 2014 – Jan 2015

- Managed day-to-day kitchen preparation, cooking and service.
- Organised prep priorities, stock levels and ingredient ordering.
- Maintained food quality, portion consistency, hygiene and service readiness.
